

FINCA TERNELLES PERMIT INSTRUCTIONS

The first step is to check the availability calendar to see if the day you want to go to Ternelles is available.

After choosing a day, you must fill in the form and send it. It is very important to write a fax number or email address where we can send the permit.

Once the City Council receives your application, it will process and send the permit to you by email or fax.

Remember there is a maximum of 20 people per day and Sundays are usually fully booked one month in advance. You must apply for the permit at least 48 working hours in advance, as we must contact the property owner.

The Finca Ternelles opens at 8.00 am, and the closing time depends on the time of year, therefore, you will be informed at the entrance to the property.

It is not allowed to go in any vehicle, you can only go on foot. Animals are not allowed either as there are animals in the property.

If you have any question or need more information, please call the phone number 971.530108.
